

# DIGITAL ASSESSMENTS LIBRARY FOR UNIVERSITIES – INDIA (DALU-INDIA)

With the advent of New Education Policy 2020, there is a formidable shift to focus on Mental Health and well-being in educational institutions. Therefore, the demand for psychology and allied fields is going to be pertinent as many are becoming aware of the necessity of such a subject in the academic system. In India, there is a rise in intake of this subject by students at undergraduate and post-graduate levels. Hence, universities and colleges need quick and timely solutions in delivery.

Pearson Clinical Assessments for the very first time in India offers **DALU – DIGITAL ASSESSMENTS LIBRARY FOR UNIVERSITIES**. It is an online resource library which is available for use by students and faculties. It lists gold standard assessments owned by Pearson in four major domains of Psychology.

### Why Should you choose Dalu?

- Digital world is the way forward and digital resources is the future for students and professionals in educational institutions.
- It will provide a remote teaching solution for universities and give psychology students and staff the ability to assess via a telehealth platform.
- Along with access to digital test manuals and stimulus books, there is also option to purchase remote administration and report usages for assessments
- This is an ideal add-on for when a questionnaire needs to be delivered via email to a parent or teacher, or to a student for a self-report measure
- It is a time-saving, cost effective and easy to use resource platform
